Created by the SC General Assembly in 1999, South Carolina First Steps to School Readiness is the state's comprehensive early childhood education agency and a 501(c)3 nonprofit organization. SC First Steps (SCFS) takes a holistic approach to accomplishing our mission of preparing all kids for success in school, work and life, offering services that improve children's health, strengthen families, expand access to quality child care, increase participation in four-year-old kindergarten (4K) programs and help transition rising kindergartners into school. Through a network of 46 affiliates, called "local partners," SCFS reaches children 0-5 and their families in every county of the state. With funding from the state, annually, SCFS provides over 2200 four-year-olds with access to Pre-K 4 across 64 school districts.
